

The Wembley Fire Department

Proudly presents

3rd Annual Lights & Sirens Food Drive

In partnership with

Proud supporters of the Wembley Food Bank

Help us to assist others in our community

We will be hitting the streets of Wembley on

March 29, 2012 at 7pm

Last year was a HUGE success; we collected over 4500lbs in donations! The food bank was bursting at the seams when we were done!

Our members and the Encana employees will be going door to door in your neighborhood collecting non-perishable food items. Please feel free to bring your donation out to our volunteers as well. If you will not be home please leave your donation on your front step
(must be visible and accessible by volunteers)

Together we can make a difference!
